Visit Install Water Dispenser at Club Primo for expert assistance.

CAUTION: Do not dispense hot, cool or cold water if the orange light is flashing as you might empty the tanks and cause the dispenser to overheat.

1. Open dispenser door and slide empty bottle out of cabinet.
2. Remove probe assembly from empty bottle. Place probe assembly on probe hanger.
3. Set empty bottle aside.
4. Place fresh bottle outside of cabinet. Remove entire plastic cap from top of bottle. Clean outside of new bottle with a cloth.
5. Place probe into bottle. Slide collar down until it clicks in place. Push head down until tube fits bottom of bottle.
6. Slide bottle into cabinet and close door.

CHANGING BOTTLES

A flashing orange function light alerts you when your bottle is empty. Replace the bottle as soon as possible.

CAUTION: Do not dispense hot, cold or cool water if the orange light is flashing as you might empty the tanks and cause the dispenser to overheat.

1. Open dispenser door and slide empty bottle out of cabinet.
2. Remove probe assembly from empty bottle. Place probe assembly on probe hanger.
3. Set empty bottle aside.
4. Place fresh bottle outside of cabinet. Remove entire plastic cap from top of bottle. Clean outside of new bottle with a cloth.
5. Place probe into bottle. Slide collar down until it clicks in place. Push head down until tube fits bottom of bottle.
6. Slide bottle into cabinet and close door.

TROUBLESHOOTING

Cold water is not cold.

- It takes up to one hour after setup to dispense cold water.
- Make sure the power cord is properly connected to a working outlet.
- Make sure the back of the dispenser is at least 4 inches from a wall and there is free airflow on all 4 sides of the dispenser.
- Make sure the water dispenser is turned ON.
- If water still isn’t cold, please call 866-429-7566 for assistance.

Hot water is not hot.

- It takes 15-20 minutes after setup to dispense hot water.
- Make sure red switch on back of dispenser is ON.
- Make sure blue nightlight switch on back of dispenser is ON.

NOTE: The cycle takes 10 minutes to complete. During this time do not dispense water. Doing so may result in an odor. For your convenience, we recommend that you do this during a period when the dispenser will not be in use like overnight or when staff is away from the office. During the cycle you may smell a faint trace of ozone.

For best taste, performance and hygiene:
1. Clean your cabinet, controls, bottle probe and spout each time you change your water bottle. Use a clean cloth and a food grade sanitizer or bleach.
2. Empty and clean drip tray, grill and float as needed.
3. To minimize mineral deposits which can clog lines and impair odor and taste quality, Prime purified bottled water.
4. Every week use the self-cleaning feature to sanitize tanks and water lines. To activate, press in the probe hanger to activate, press in the
   - Do not use an extension cord with your water dispenser.

WARNING

Do not return dispenser to store.

Primo Water Corporation [‘Vendor’] warrants to the original purchaser of this dispenser, and to no other person, that it is produced and operated in accordance with the printed instructions accompanying it, and that for a period of one year from the date of purchase, all parts of such dispenser shall be free from defects in material and workmanship. Vendor may require reasonable proof of your date of purchase and/or installation from an authorized dealer/distributor. Therefore, you should retain your sales slip or invoice. The Limited Warranty shall be implied to repair or replacement of parts, which prove defective under normal use and service and which Vendor shall determine to be its reasonable discretion upon examination to be defective. Before returning any parts, you should contact Vendor’s Customer Service Department using the contact information listed below. If vendor confirms, after examination, a defect covered by this Limited Warranty in any returned part, and if Vendor approves claim, Vendor will replace such defective part without charge. If you return defective parts, transportation charges must be prepaid by you. Vendor will return replacement parts to original purchaser, freight or postage prepaid. For units purchased outside of the continental US (limited to Hawaii, Alaska, and Puerto Rico), dispensers determined to be defective by the Vendor should be returned or exchanged at the original point of purchase within the warranty period.

The Limited Warranty does not cover any failures or operating difficulties due to accident, abuse, misuse, alteration, misapplication, improper installation or improper maintenance or service by you or any third party, or failure to perform normal and routine maintenance on the dispenser, as set out in the User’s Manual, in addition, the Limited Warranty does not cover damages to the finish, such as scratches, dents, discoloration or rust after purchase.

The Limited Warranty is in lieu of all other express warranties. Vendor disclaims all warranties, express or implied, with respect to products that are purchased from other than authorized retailers or distributors. AFTER THE PERIOD OF THE ONE (1) YEAR EXPRESS WARRANTY, VENDOR DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FURTHER, VENDOR SHALL HAVE NO LIABILITY WHATSOEVER TO PURCHASER OR ANY THIRD PARTY FOR ANY SPECIAL, INDIRECT, PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES. VENDOR ASSUMES NO RESPONSIBILITY for any defects caused by third parties. This Limited Warranty gives the purchaser specific legal rights, which may vary from state to state, and limitations on how long a warranty lasts, so the above exclusion and limitations may not apply to you.
